ALLOWANCE

Allowable Subject Matter

1. Claims 15-34 are allowed.
2. The following is an examiner's statement of reasons for allowance: The prior art, alone or in combination did not show or teach an injection nozzle including the combination of a first drive piston drive-connected to the first nozzle needle, the first drive piston having a booster surface hydraulically coupled to a control surface of the control piston by a first hydraulic pressure transmission path, and a second drive piston drive-coupled to the second nozzle needle, the second drive piston having a second booster surface hydraulically coupled to a control surface of the control piston by an activatable and deactivatable second hydraulic pressure transmission path, wherein the activation and deactivation of the second hydraulic pressure transmission path is controlled as a function of the control piston stroke, together with the other recited limitations set forth in claim 15.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
